About the Department

The Dept. of CSE was established in 2008 with an intake of 60 in U.G. program. The intake was enhanced to 120 in the year 2009. The Department is also offering M. Tech. (Computer Science).

The Department has highly qualified and experienced faculty, good infrastructure, equipped with full fledge computer laboratories with internet facility, audio- visual facilities and ICT.

The Department is conducting various programming activities to students to enhance their technical & programming knowledge apart from academics to empower the skills towards research and development.

Vision:

To become a premier department of learning in Computer Science and Engineering that empowers its students to be self-motivated, ethical, responsible, and competent Professionals.

Mission:

➢ Continually improve the teaching-learning and associated processes to enable the students gain sound knowledge of the theoretical concepts of Computer Science and Engineering as well as its applications.

➢ Provide comprehensive learning experiences that educate and motivate the students to acquire excellent technical skills, strong ethical values, life-long learning abilities and social consciousness.

➢ Strengthen industry institute interactions to enable the students work on realistic problems and expose them to practical issues in the industry.
