ABOUT SRIT

Srinivasa Ramanujan Institute of Technology has been the leading institute in imparting value based Engineering Education since its inception in the year 2008 by Mr. A. Sambasiva Reddy, Founder and Secretary of Smt. Aluru Narayanamma Memorial Educational Society. The institute maintains an exponential development with respect to intake, placements and Research.

ABOUT DEPARTMENT

The department of Computer Science Engineering and Information Technology is one among the SIX Engineering departments which has been functioning since the inception of the institute. The department is offering two B.Tech courses (CSE and IT) and one M.Tech course in Computer Science. It has a great potential with well qualified and committed 26 teaching & 5 non-teaching faculty members, headed by Dr. T. Hitendra Sarma. Further, it is fortunate to have P. Viswanath, Professor, and Former Faculty of IIT Guwahati. In order to expose the students to the world class technical community, the department has been part of various professional bodies including CSI, IEEE, IE etc. "Programmer's Club" is another institute level Student Club playing active role for the overall development of our students. Currently we have 518 students, including UG and PG courses, and strong Alumni of 360 students.

ABOUT AROHAN

AROHAN is a department level monthly news letter intended to showcase the excellence of the students in Curricular, Co-Curricular and Extra-Curricular activities. It includes the list of events organized by various student chapters/ clubs in the department, student and faculty achievements etc. It also focuses on educating the students on certification courses by world class institutions, National and International Level events, free online learning materials, current affairs etc. As this news letter aims at continuous development of the student, the name "AROHAN" is unanimously selected for this news letter.
